The Panther '67

The Halls of Mid

way

Oh, we love the Halls of Midway

That surround Us here today

And we will not forget

Tho' we be far far away.

To the hallowed halls of Midway

Every voice will bid farewell

And shimmer off in twilight

Like the Old Victory Bell!

One day a hush will fall;

The footsteps of us all

Will echo down the halls and disappear;

But as we sadly start

Our journeys far apart,

A part of every heart will linger here

In the sacred Halls of Midway

Where we lived and learned to know

That thro' the years

We'll see you in the sweet afterglow!

Oh, we love the Halls of Midway

That surround us here today,

And we will not forget

Tho' we be far, far, away.

Superintendent M. T. Rice

SENIORS 1967:

It has been a real pleasure to have had you as students in the Midway High School. I hope the time you have spent here has been profitable to you. The change you are going to encounter as you finish high school and take the walks of life that you plan to follow are not going to be as you have anticipated. The burden placed on the youth coming out of high school today is much greater than it has ever been in the past. A much greater demand is placed on your education ability, desire to succeed, and on all your activities than there has been before. I hope you are able to take care of these demands as you should, and I wish you a great deal of success in whatever your undertakings may be.

Sincerely yours,

M. T. Rice

Principal
Roy C. Hill

To the 1967 Seniors of Midway High School I offer my congratulations, and I wish for each of you the happiness you deserve.

I sincerely trust that the attitudes and behaviors which you have developed will reflect dignity and value to your school, your homes, your parents, and, most important of all, to yourself.

Midway's Spitzer went on a scoring spree in the District 12--AA opener and scored 4 touchdowns as the Panthers defeated Teague, 39-6. Monica, quarterback, stepped into the scoring column early in the 4th period, and Kraskey found wingback David Jeter open to notch the 6th Panther touchdown of the game.

From the first day of pretraining, Midway's varsity team faced class AA district competition for the first time in the history of the school. After Scrimmaging Clifton, the Panthers played their first game with West on Sept. 9. The determining factor of Midway's loss was five Panther fumbles during that mud fest. The Robinson game was also plagued with rainy weather, but Midway prevailed 7-0. One of the most exciting games of the season was the 10-0 victory over La Vega, the only AAA school on the Panthers' schedule. After the encouraging wins over La Vega and Teague, the determining factor of the district race was the Mexia game; the turning point in that contest came in the first play of the fourth quarter with a Panther fumble on Mexia's 19 yard line. Another high spot in the season with Midway's defeat of Riecher, the runner-up TCIL state champions. The homecoming game with Marlin was a hard-fought contest between two of the better clubs in the 12 AA district.

The Panthers represented Midway High School well throughout the 1966 football season with a fine gridiron record and admirable sportsmanship. They truly were a credit to themselves, their school, and their community.
